**Project review report (Article 25)**

Dear Dr Fuentes

Thank you for your letter related to the project review report received on Friday, June 14<sup>th</sup>.

The consortium sincerely appreciates the experts' time, efforts, and feedback on the project review and welcomes their detailed and constructive recommendations. We are currently conducting a thorough review of these recommendations. The agreed-upon actions to address the recommendations will be closely monitored throughout the remainder of the project, and we will provide updates in the Final and Periodic Reporting 2.

Additionally, we would like to inform you that we have shared the Exten.(D.T.)<sup>2</sup> project review report with our consortium, and no observations were received within our internal timeframe.

We kindly request that you proceed with the next steps at your earliest convenience. Thank you for your attention to this matter.

Kind regards

**Linnæus University**
