OMT Meeting: 24 January 2025
WP2-WP9 Updates

WP2: The Exten.(D.T.)² Framework Progress and Updates

Same information as in the previous OMT meetings:

- **Updated Framework and Guidelines** → see the process, data analysis and this version in the WP2 folder in Drive

→ Information on how to do the consultations, materials to use and how to report them:

- 1) Sent in an email on 17/10/2024 from Feiran
- 2) All are in the shared folder for WP2 in Drive
- 3) In the “actions and to do for Year 3, with links you can click on

So Far:

- We have conducted so far from NTNU consultations with **20** participants
- Started drafting the deliverable with work already completed (i.e., the first round of collecting feedback and building the current version of the Framework and guidelines)
- For partners: please contact us if you need any help

Important:

- Stakeholder consultations all have to do by **February 2025**
- Use the dissemination materials for the framework for all activities

WP3: Progress and Updates

- Y3 Intervention completed at Bow Brickhill School (1 teacher and 21 students participated)
 - Topic: Climate Change
 - Technologies used: ChoiCo, SorBET and nQuire for students
- For the remaining interventions: Sagun is in communication with a colleague from Notre Dame High School
- Chasing personal teacher contacts at schools near the Open University for Y3 intervention
- All the co-designed materials produced so far are available on our site (except a few such as those on learning analytics, the video tutorials which explain the addition of new functionalities, such as voice recognition feature on SorBET!)

WP4: Updates / To Do

Learning Tools (NKUA)

- **To Do: Create a calendar and technology tiers and the versions of tools (LNU, NKUA, SIMPLE)**

LA (SIMPLE / NKUA)

- Updated the events collection by LA (add data collection from extended features of the tools) (NKUA, LNU)
- Adding Start and end date for the activity to LA (**To Do: SIMPLE**)
- WP4 partners need to discuss the technical feasibility of the points suggested by expert teachers to proceed with the redesign of the ALA components
- The decision will determine the extent to which UI suggestions will be implemented

Dashboard (LNU)

- Add the documentation and short video for the dashboard of current state to the extendt2 website **LNU, URGENT, due Jan 30**
- UGent provided useful ideas for the features for the SorBET dashboard (LNU is working on it) **LNU, URGENT, due Jan 29**
- **To Do: update the dashboard locally after getting feedback from Filothei**

WP7: Progress and Updates

Task 7.5 Development of Cycle 3 Toolkit

- 41 Pre and Post responses to Y2.5 survey (from Belgium and UK), under analysis
- 75 responses to Y3 student pre-survey (from Belgium), no analysis conducted yet
- All partners should have links to pre and post survey but if not, let me (Richie) know

Task 7.3 Teacher's Evaluation Toolkit

- Outputs from pre-Christmas workshops are being converted into a simple toolkit which will be circulated among partners by the end of January
- This toolkit (or parts of it) can be used by teachers as they wish, we may include a small mechanism for teachers to tell us if they have used any of the tools (a short google form)

WP8: Progress and Updates

Booster Application

- Had the latest meeting with Rita Giuffrida, the expert assigned from Booster
- Proposed to help us develop activities related to the creation of a policy brief, the executive summaries of the Y1 and Y2 findings and DT activities, as well as a joint-newsletter with sister project partners
- Next meeting to be scheduled in Feb or March (to be informed by Rita)
